It's been a fascinating 2 1/2 years for me as I have learned about the workings of our legislature and the role of the ethics committee. I've crossed paths with many wonderful, hardworking legislative employees who gave of their time and expertise to help make my job easier. It's been a privilege to work with the legislative and public members who invest a great deal of time and thought into the issues brought before them. Jerry, you've been a great boss and teammate, and I count you as a friend as well as a colleague. Thank you all so much! I'm off to a new chapter in my life which will hopefully include a whole lot more golf in warmer climes.

Best regards! *Janice*
