EXPLANATION

A Close Economic Association means a financial relationship between a person covered by the Ethics Act and some other person or entity, including relationships where the legislator or legislative employee serves as a consultant or advisor to, is a member or representative of or has a financial interest in any association, partnership, business or corporation. Those covered by the Ethics Act are required to disclose their close economic associations, in sufficient detail, with supervisors, legislators, public officials defined in AS 39.50, registered lobbyists and, if the discloser is a legislator, with legislative employees.

For legislative employees with a lobbyist spouse or domestic partner, additional requirements apply. See separate disclosure form. *The Ethics Committee has determined that a CEA should be disclosed if \$250 or more by Advisory Opinions 03-02 and 14-01.
